

GOOD SAMARITAN MISSION

PO Box 1218, Jackson, WY 83001

FUNDING NEED STATEMENT: Shelter Renovation Phase 2

DESCRIPTION: Good Samaritan Mission's (GSM) facility hosts homeless sheltering programs that serve Teton County, Wyoming. The facility's interior has undergone comprehensive renovation during 2023 and 2024. The following unfunded interior areas and the facility's exterior comprise Phase 2:

- A. Because of the loss of the ability to park in the front of the building, the facility's rear must now serve as its entryway. (See pictures below.) Re-routing gutters and small awnings over the rear doorways, painting, signage, exterior lighting, and other exterior renovations mentioned separately below are needed to create a new main entry appearance. (\$50,000)
- B. Rotted (or missing) exterior wooden fascia, stairway, and deck. (\$30,000)
- C. Exterior and interior surveillance system. (\$20,000)
- D. Facility Electrical Update: Boxes and wiring. (\$100,000)
- E. Remaining interior vinyl tile replacement of carpet. (\$60,000)
- F. Nonfunctioning radiators replaced. (\$10,000)

TOTAL ESTIMATED COST*: \$270,000

*GSM staff and volunteers will minimize costs where possible. Estimated cost cannot predict contractor availability in Teton County, Wyoming at the time of bidding which can make costs higher.
